Class: An Adventure into Texture

Tutor: Annette Morgan

You must bring along the following:

- Basic sewing kit – pins, scissors, machine sewing threads etc.
- ½ metre wadding – I like Hobbs Heirloom poly/cotton.
- 1 metre brightly coloured plain fabric or hand dyed fabric.
- Polyester sheer fabric in at least 3 colours – dark colours work best.
- Machine embroidery threads.
- Hand embroidery threads the six stranded variety or similar.
- Scraps of sheer, metallic fabrics if you have them.
- 3D paint [dimensional paint] in a glitzy colour.
- Sheet of glass with taped edges – glass from a picture frame works well.
- 2 sheets of A4 paper.
- Notebook and pen or pencil.
- Rotary cutter, mat & ruler.

- To make a needle case - please bring a piece of felt about A4 size.

Please bring the following *if you have them*;

- Hot air gun
- Soldering iron with a fine point and stand [or terracotta plant pot for stand].

Sewing Machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant will be available in class to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may. Ensure it is well maintained and that you also bring the instruction manual and accessories, and bring your free machine embroidery or walking foot.

- ✓ We also recommend bringing along a cushion in case your chair doesn't suit your height. This is not a necessity, just suggested.
- ✓ Please make sure you label everything with your name.
