

CLASS REQUIREMENTS

Class: **Double Wedding Ring**

Tutor: **Sandra Chandler Lawhon**

If you have questions: Contact the tutor: justcurves@earthlink.net

You must bring along the following:

- Notebook
- Pen or pencil
- Snipping scissors
- Seam ripper
- Good sewing quality thread.
- If student already has the tools listed under Kit Fee, bring those as well. Note rotary cutting equipment is not required for this class.
- 70 or 80 Sharps

- Kit Fee:** \$25 payable to instructor. Pre-cut kits to produce one practice block and a 4-block wall hanging will be provided by the instructor. This will eliminate time-consuming cutting during class so we can proceed more quickly to actual sewing. Kit will include top quality cotton fabric, accurately die cut in pieces matching the Just Curves acrylic templates, as required for sewing.

Please ensure that you bring the **exact** amount required and place it in an envelope with your name and the tutor's name on the front. This is to be given to the tutor before commencement of the class.

Instructor will also provide tools for use in class and optional purchase after class: Curve Master Presser Foot, Bent Tip Tweezers, Seam Roller and Acrylic templates for cutting.

Sewing Machine: Sewing machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant from that company will be available in class to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may. Ensure it is well maintained and that you also bring the instruction manual and accessories. Instructor will provide Curve Master Presser Foot for use in class and optional purchase. No other feet required.

We also recommend bringing along a cushion in case your chair doesn't suit your height. This is not a necessity, just suggested.
Please make sure you label everything with your name.
