**Sewing Machines** will be provided by sponsor companies so you don't need to bring your own. A technical assistant will be available in class to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may. Ensure it is well maintained and that you also bring the instruction manual and accessories, and bring:

- open toe walking foot
- free motion foot

- ✓ We also recommend bringing along a cushion in case your chair doesn't suit your height. This is not a necessity, just suggested.
- ✓ Please make sure you label everything with your name.
