

CLASS REQUIREMENTS

Class: **Scrap Queen Odyssey**

Tutor: **Brenda Gael Smith**

This workshop explores a variety of quilting techniques including foundation piecing, fusible web appliqué, crazy patchwork, half square triangles and improvisational piecing. Indicative images are set out below.

If you have questions: Contact the tutor: brenda@serendipitypatchwork.com.au

You must bring along the following:

General Workshop Requirements:

- Sorted fabric scraps (see below)
- Rotary cutter with a sharp blade
- Cutting mat – preferably at least 18in x 24in
- Square quilter's ruler – preferably at least 12in x 12in
- Chalk pencil
- Neutral-coloured thread for piecing
- Pins and scissors
- Flannel sheet, batting or similar as a portable design wall

For Fusible Web Appliqué Projects

- Pen or pencil for tracing shapes
- Sharp scissors for cutting shapes
- Blending or contrast thread for appliqué
- 30cm fusible webbing
- 20-30 Background squares – 5 or 6 inches each

For Foundation Piecing Projects

- 1m washed calico/ quilters muslin for foundation.
- Cotton or polywool batting (desired quilt size + 10cm)
- Coloured chalk pencil for marking foundation

Scrap Preparation:

- Sort fabrics into compatible families. Not all scraps go together. (For example, personally I would not combine bright novelty fabrics with reproduction prints.)
- If your scraps have been scrunched up, iron them flat.
- Consider the main shape and size of your scraps – do you have skinny strips? Do you have some decent sized squarish shapes? Larger offcut pieces are OK too!

Sewing Machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant will be available in class to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may. Ensure it is well maintained and that you also bring the instruction manual and accessories, and bring your 1/4" foot. **Appliqué projects will also require an open-toed embroidery foot. Foundation quilting projects using batting will require a walking foot.**

- ✓ We also recommend bringing along a cushion in case your chair doesn't suit your height. This is not a necessity, just suggested.
- ✓ Please make sure you label everything with your name.
