Fabric Requirements

Single colour fabrics (eg homespun) or tone-on-tone prints are best suited for these colour and exercises. Avoid large scale, multi-coloured prints.

Students will be using stacks made up of squares and rectangles. For ease of handling, Brenda recommends that these squares/rectangles be at least 8in the shortest side. Thus:

- As a minimum**, 6 x 25cm strips. Choose six different colours that please you (three darks and three lights)
- For greater flexibility, bring other fabric or squares or rectangles to mix in.
- For the optional mega-slash exercise (shown below), you will require either:
 - ½ metre each of two different fabrics ; or
 - ½ metre of colour 1 and a fat quarter each for colours 2 and 3.
- Neutral thread for piecing
- Rotary cutter, cutting mat and ruler
- Chalk pencil
- Scissors and pins

Optional Mega-Slash Exercise

Another Indicative Sample - Fishnet

Sewing Machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant will be available in class to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may. Ensure it is well maintained and that you also bring the instruction manual and accessories, and bring your 1/4" foot.

- ✓ We also recommend bringing along a cushion in case your chair doesn't suit your height. This is not a necessity, just suggested.
- ✓ Please make sure you label everything with your name.
