**Kit fee:** A kit is provided for this class at a cost of **\$10**.

Please ensure that you bring the **exact** amount in cash in an envelope with your name and the tutor's and class name on the front, to be given to the tutor before the class starts.

Kit consists of:

- Pattern for the block plus all foundation papers to complete the project.

**Sewing machines** will be provided by sponsor companies so you don't need to bring your own.

A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual and accessories.

Suggestions:

- Please make sure you label everything with your name.
- We also recommend bringing a cushion in case your chair doesn't suit your height.
- A water bottle helps you stay hydrated.
- Don't forget to bring your glasses.
