

CLASS REQUIREMENTS

Class: **Mystery Appliqué**
Dates: **Thurs/Fri, April 12-13**
Tutor: **Michele Hill**
Classroom: **9**

You must bring along the following:

- 1.5m of background fabric – light or dark (this is enough for the binding as well)
- 1m of one contrasting fabric. If you would like more than one contrast colour then purchase 50cm of two colours or 35cm of three colours.
- 2 metres of fusible appliqué paper – roll it – don't fold it or ever use a rubber band around it
- Threads: Beige or grey thread for your bobbin. Michele likes the *Bottom Line* but *Rasant* works well also.
- Machine embroidery threads to match appliqué (Michele prefers 100% rayon)
- Size 10 Schmetz Microtex sharp sewing machine needles
- Sewing basket with usual notions, including a pair of small sharp pointed scissors for paper and scissors for fabric/thread
- Small plastic bags to keep pattern pieces in
- Pencil

Please note that you only need to bring the materials listed above and are not required to purchase a kit for this class.

Sewing machines will be provided by sponsor companies so you don't need to bring your own.

A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual and accessories.

- Also **bring your open toed appliqué foot**. This is for machine appliqué – **NOT** the one for free motion machine quilting.

Suggestions:

- Please make sure you label everything with your name.
- We also recommend bringing a cushion in case your chair doesn't suit your height.
- A water bottle helps you stay hydrated.
- Don't forget to bring your glasses.
